

Arrowhead Transit

Agency Background

Arrowhead Transit is a service arm of the Arrowhead Economic Opportunity Agency (AEOA) and provides Rural Rides, on-demand (Dial-a-Ride), destination (on-demand to specific locations), and regional connections across eight counties in Northeastern Minnesota. Arrowhead Transit's service area is 23,578 square miles and covers approximately 27 percent of the state of Minnesota and includes the counties of Aitkin, Carlton, Cook, Itasca, Koochiching, Lake, St. Louis, and Pine.

Arrowhead Transit was awarded transportation planning funds from MnDOT Office of Transit and Active Transportation to begin Phase 1 Organizational Planning efforts to create a Regional Transportation Coordinating Council (RTCC) within their regions.
