Hours of Operation

Information Operations

Monday – Sunday: 7:00 AM to 7:00 PM

Future Needs – Buses

The DTA has a fleet of 70 fixed-route buses featuring seven new electric buses and a trolley.

Future Needs – Facilities

The DTA has Transit Hubs that offer amenities for passengers such as Transit Vending Machines and detailed system maps. The Duluth Transportation Center has an information desk where passengers can purchase bus passes and ask questions. Most DTA Transit Hubs also have passenger hand schedules for the entire transit system.

Future Needs – Operations

The DTA has over 150 employees.

Future Needs – Technology

The DTA is one of the most technologically advanced transit systems in the country. DTA buses are equipped with Intelligent Transportation Systems (ITS) that monitor operations for efficiency while helping to improve service. Passengers can view buses along different routes using the WebWatch feature which is available at duluthtransit.com. They can also plan their trips on the website using the Google Plan & Ride feature.

Budget Information

DTA's annual operating budget is approximately \$14 Million.

DTA's 2019 Funding: \$15,549,000

Legislative Districts

Legislative Districts: 06B, 07A and 07B

Congressional District: 8
