Future Needs – Buses

White Earth Public Transit has e350, e450, and f550 gas and propane vehicles. They would like to replace four of their vehicles.

Future Needs – Facilities

White Earth Public Transit would like to construct a facility, as they are currently sharing space with other tribal programs and have out grown current space. They would also like to add bus shelters for their passengers.

Future Needs – Technology

White Earth Public Transit would like to upgrade their dispatch software and add Wi-Fi to their buses.
