

United Community Action Partnership Community Transit

Agency Background

Community Transit of United Community Action Partnership (UCAP) operates demand response service throughout Cottonwood, Jackson, Lincoln, Lyon, Murray, Pipestone, Redwood, and Rock counties. Additionally, Community Transit operates two deviated routes in Marshall and one in Redwood Falls.

Community Transit is overseen by UCAP, which is a community action agency formed in October 2016 as a result of the merger between Heartland Community Action Agency and Western Community Action, Inc.
