

Your membership in the Minnesota Public Transit Association makes a difference! The more members we have, the stronger our voice can be in advocating for transit.

Membership allows MPTA to work on your behalf to increase transit budgets – both for operations and for capital projects and capital equipment.

“We need to thank the MPTA Board for all they do in Greater Minnesota – for the opportunities to attend events like the Rodeo and MPTA Conference. We thank the public transit agencies for their continued membership.
LuAnn Bleiler
Paul Bunyan Transit

“Each and every transit operator in this state has a higher level of funding because of MPTA and its ability to advocate and inform in a unified, respected manner.”
Craig Rempp
MPTA President

The Minnesota Public Transit Association (MPTA) is the only organization in Minnesota comprised of transit providers and advocates from all over the state that is independent and focused on improving all transit systems.

Your membership provides MPTA with **more resources** and a **stronger voice** at the Capitol.
