

Your membership in the Minnesota Public Transit Association makes a difference! The more members we have, the stronger our voice can be in advocating for transit.

Membership allows MPTA to work on your behalf to increase transit budgets – both for operations and for capital projects and capital equipment.

“Membership is well worth it! I receive the communication I need to stay informed and communicate with my legislators, clients and community members.”  
LuAnn Bleiler  
Paul Bunyon Transit

“Each and every transit operator in this state has a higher level of funding because of MPTA and its ability to advocate and inform in a unified, respected manner.”  
Ryan Daniel  
MPTA President
