

**FEDERAL TRANSIT ADMINISTRATION**

**Table 3**

**FY 2022 FULL YEAR SECTION 5307 AND SECTION 5340 URBANIZED AREA  
APPORTIONMENTS<sup>1</sup>**

*The amount apportioned in this notice includes funding authorized under the Bipartisan Infrastructure Law, enacted as the Infrastructure Investment and Jobs Act (Pub. L. 117-58) and is based on funding made available under the Consolidated Appropriations Act, 2022 (Pub. L. 117-103, Mar. 15, 2022).*

*Note: FTA is required by law to include in this table amounts attributable to each State of a Multi-State Urbanized Area over 200,000 in population. These amounts are for illustrative purposes only. They are not intended to indicate any preference by FTA for suballocation amounts, nor do they have any force of law or indication of expected practice. Designated recipients shall continue to sub-allocate funds allocated to an urbanized area based on a locally determined process, consistent with Section 5307 statutory requirements. Each State's share of a multi-state urbanized area was calculated on the basis of the percentage of population attributable to the States in the UZA, as determined by the 2010 Census.*

*Amounts Apportioned to State Governors for Urbanized Areas 50,000 to 199,999 in Population:*

<sup>1</sup> Consistent with prior years, urbanized area apportionments for Section 5307 and Section 5340 are combined to show a single amount. An area's apportionment amount includes regular Section 5307 funds, Small Transit Intensive Cities funds, and Growing States and High Density States formula funds, as appropriate.

\* Consistent with prior years, urbanized area apportionments for Section 5307 and Section 5340 are combined to show a single amount. An area's apportionment amount includes regular Section 5307 funds, Small Transit Intensive Cities funds, and Growing States and High Density States formula funds, as appropriate.

Technical Note: Additional amounts were provided to the San Juan, Fayetteville, Wilmington, and Chico urbanized areas using reapportioned funds to address NTD data errors applied in FY21.
