BENEFITS & FEATURES

Benefits

- Reduce vehicle ownership costs
- Extend useful life of vehicles
- Increase equipment availability
- Increase warranty recovery
- Optimize inventory levels
- Ensure compliance for vehicle management, maintenance and parts and inventory management

Features

- Complete vehicle equipment life-cycle management
- Robust work order functionality
- Technician certification and training management
- Purchasing and parts inventory management
- Integration with fuel management system
- 200+ out-of-the-box standard reports with customization setups
