*Brede Exposition Services' liability shall be limited to the physical loss or damage to the specific article which is lost or damaged as described below. Please make your show site representative aware of the following policy.*

### Limitations of Brede Exposition Services' Liability and Responsibility

1. Brede Exposition Services shall not be responsible for damage to uncrated materials, materials improperly packed, or concealed damage.
2. Brede Exposition Services shall not be responsible for loss, theft, or disappearance of exhibitor's materials after same have been delivered to exhibitor's booth.
3. Brede Exposition Services shall not be responsible for loss, theft, or disappearance of materials before they are picked up from exhibitor's booth for re-loading after the show. Brede bills of lading covering outgoing shipments which are tendered to Brede Exposition Services by exhibitors, will be checked at time of actual pickup from booth and corrections made where discrepancies occur.
4. Brede Exposition Services shall not be liable to any extent whatsoever for any actual, potential, or assumed loss of profits or revenues, or for any collateral costs, which may result from any loss or damage to an exhibitor's material which make it impossible or impractical to exhibit same.
5. The consignment or delivery of a shipment to Brede Exposition Services by an exhibitor, or by any shipper on behalf of any exhibitor shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this bulletin.
6. Brede Exposition Services shall exercise ordinary diligence and care in the receiving, handling and storage of all shipments. Brede Exposition Services shall not be liable for loss or damage by fire, acts of God, or causes beyond its control. Brede Exposition Service's liability shall be limited to the physical loss or damage to the specific article which is lost or damaged. In any case, the liability of Brede Exposition Services is limited to \$ .30 per pound per article, with a maximum of \$50.00 per item, and a maximum of \$1,000.00 per shipment. This applies while these goods are in Brede's warehouse, in vehicles for delivery, or at show site.
7. Claims for loss or damage which are not submitted to Brede Exposition Services within thirty (30) days of the close of the show on which the loss or damage occurred shall be considered waived. No suit or action shall be brought against Brede Exposition Services or its subcontractors more than one (1) year after the accrual of the cause of action therefore.
8. Shipments received without receipts, freight bills, or specified unit counts on receipts or freight bills (i.e., one lot, 800 cu. ft., etc.), such as UPS or van lines will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede Exposition Services for such shipments.
9. Empty container labels will be available at the service desk. Affixing the labels is the sole responsibility of the exhibitor or his/her representative. All previous labels should be removed or completely covered. Brede Exposition Services assumes no responsibility for errors to the aforementioned procedure, removal of containers with old empty labels and without Brede Exposition Services labels, improper information on empty labels, or valuables stored in containers with empty labels.
10. Exhibitors should arrange for outgoing shipments during the show or immediately after its close. Brede will assist in the preparation of Brede bills of lading. Be sure that your material has been carefully crated or packed, and properly tagged or marked.
11. In order to expedite removal of materials, Brede Exposition Services shall have authority, without further clearance with exhibitors, to change designated carriers.
12. Labor and services ordered on behalf of exhibitors by display builders or other parties must be so authorized in a letter from exhibitors. Payment for all labor and services will be the responsibility of the exhibitor.
13. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.

The exhibitor agrees, in the event of a dispute with Brede Exposition Services relative to any loss or damage to any of their materials or equipment, that they will not withhold payment of any amount due to Brede Exposition Services for Drayage or any other services provided by Brede Exposition Services as an offset against the amount of the alleged loss or damage. Instead, they agree to pay Brede Exposition Services at the close of the show for all such charges, and they further agree that any claim they may have against Brede Exposition Services shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
14. Service charge of 1-1/2% per month on any unpaid balance will be made starting 30 days after date of invoice.
15. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
16. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding riders to existing insurance policies, often at no additional cost. Empty containers will be removed from the floor and stored until the close of the show. You will not have access to empty containers during the show. In most cases, empty containers may not be stored in your booth during the show as it is considered a fire hazard.

### Outbound Bill of Lading

Outbound shipping is not an automatic process. Outbound Bills of Lading must be completed and turned in to the Brede Service Desk: *do not leave outbound Bills of Lading in your booth.*

Exhibitors who choose to ship outbound materials via any carrier other than the official show carrier must advise carrier to be checked in at the Brede Service Desk by the driver check-in time specified on the *Show Details* page. Drivers are placed in line for loading on a first-come, first-serve basis, provided the exhibitor is completely packed and a Bill of Lading has been turned in to the Service Desk.

Drivers whose Bills of Lading have not been turned in will be placed in a holding queue until the booth is packed and the Bill of Lading is turned in.

Should your carrier fail to check in by the designated time, Brede reserves the right to re-route the shipment via the official show carrier as necessary, at the exhibitor's expense.

Submit this form if you will be shipping material to the warehouse or show site. Use the rates below to estimate your material handling charges. Enter the total below to the Payment Authorization/Order Summary form. Orders received without full payment or credit card information will not be processed.

### Material Handling Tips

#### Shipping Inbound:

- **Advance to Warehouse** - ensure your shipment arrives by the deadline date of **October 3, 2019** to avoid additional surcharges.
- **Direct to Show Site** - shipments will be received starting **October 9, 2019** during posted Exhibitor Move-in hours.
- Clearly mark your company name, booth number and **2019 MN Public Transit Conference & Expo** on all labels.
- Material Handling is charged per shipment. To avoid multiple charges, ship all your pieces together.
- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.
- Make sure your shipment arrives with a certified weight ticket to help avoid Special Handling charges.

#### Storing Empty Containers:

- Pickup Empty Labels at the Brede Service Desk.
- Place a label on each container with your company name & booth number.
- Labeled containers will be picked up periodically and stored during the show.
- Once containers are placed in empty storage there will be no access to those containers.
- At the close of the show, the empty containers will be returned to your booth in random order.

#### Shipping Outbound:

- Schedule your carrier for pickup at the appropriate time if you are not shipping via the show carrier.
- Each individual shipment destination must have a completed Bill of Lading.
- Each piece must be individually labeled. Pre-printed shipping labels are available at the Brede Service Desk.
- When materials are packed, labeled and ready to be shipped, bring the completed Bill of Lading to the Brede Service Desk.

#### Consolidate Your Shipment:

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment received.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$100.00 per CWT = \$200.00

**TOTAL cost of three shipments arriving *separately*: \$600.00**

**OR**

3 pieces totaling 152 lbs @ 200 lb minimum x \$100.00 per CWT = \$200.00

**TOTAL cost of one *consolidated* shipment: \$200.00 *Savings of \$400.00***

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

*We have provided these definitions to acquaint you with specific guidelines for labor. Trade shows, conventions and special events in this vicinity are governed by local union contracts. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.*

### Material Handling

Brede Exposition Services has the responsibility of receiving and handling all exhibit materials and empty containers. It is our responsibility to manage the docks and schedule vehicles for a smooth and efficient move-in and move-out of exhibits. Brede will not be responsible however, for any material Brede does not handle. Brede will have complete control of the docks at all times. Vehicles must not be left unattended at the loading dock. Any unattended vehicles will be towed at the owner's expense. The fire marshal absolutely prohibits the storage of any empty containers in the exhibit hall. Arrangements have been made with Brede to store empty crates. Please refer to the *Material Handling* form for rates on storage of any empty containers that were not moved in to the show by Brede.

### Booth Labor

Since Minnesota is a right-to-work state, exhibitor personnel may set up their own exhibits if so desired. Labor is available to assist in the erection and dismantling of exhibit booths. Exhibit labor, freight labor, rigging labor, electricians and plumbers can be arranged by using the enclosed order forms.

Exhibit labor claims jurisdiction for the installation, dismantling and initial cleaning of pre-fabricated exhibits and displays, when this work is done by persons other than company personnel. Exhibit labor may be employed by completing the Labor/Forklift order form enclosed in this manual. Labor is not required to put your product on display, open cartons containing your products, nor are they required to perform testing, maintenance and/or repairs on your products. However, if you hire any labor to assist you, the hiring must be done through the official contractor of the current trade show.

### Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed Labor/Forklift order form and the necessary ladders and tools will be provided.

### Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees.

### In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices should be directed to a management representative of Brede.
